Dear Anza Families and Friends:

Lately we have sent home several alerts regarding student health and safety. Our primary concern at Anza is for the safety of our students. Students must feel both physically and emotionally safe before academic learning can even begin. During this year of heightened flu alert, we are extremely appreciative of the caution that our Anza families have shown thus far in keeping sick children at home. Prompt action by parents to isolate sick children from others will help limit the spread of germs to others. So far at Anza we have had one cluster of flu-like symptoms in a classroom, however, all these students have now returned healthy to class. These occurrences are happening at schools everywhere; please be assured that we are doing our best to keep our school as germ free as possible.

With regards to the Safety Alert issued on November 3 by our Superintendent, Dr. Johnstone, we have been informed that a suspect has been arrested in connection with this incident. As always, please remind students to never walk alone and to always be aware of their surroundings. Working together, we will strive to make all of our students safe at Anza School!

Sincerely,

Chris D. Jones, Ed.D.  
Principal
