 Forward to a Friend

From the Principal...

Dear Anza Families:

As we start the New Year, it is a great time to make some resolutions. This is the perfect opportunity for you and your child to set some academic goals for the upcoming school year. At Anza, one of our most cherished beliefs is that children thrive when expectations are set high. Now is the time to take another look at the most recent report card, and set some very specific goals about the expected level of performance for your child. The next few months mark the very heart of the school year, when many students see their most dramatic academic growth. Please encourage and focus your child's energies on a path to success during this time. On behalf of the entire Anza Staff, we are all looking forward to a wonderful and productive 2010! Sincerely,

Chris D. Jones, Ed.D.
Principal
