Dear Anza Families:

One of the goals that we have for our Anza students is to build a capacity for Fair Play. As children grow and mature, a deeply felt sense of fairness is vital. At school this is most evident on the playground as students engage in a variety of games. Please take a few minutes of your dinner table conversation at home to discuss the importance of playing fairly and showing good sportsmanship. It is important to discuss with your child how to both win and lose a game with grace and dignity. These are learned skills that need to be practiced daily. Thank you for your help re-enforcing these concepts at home!

Principal

whole family. A teaching artist from P.S. Arts will lead us all through two projects based on masterworks by two artists. Please join us for what promises to be a wonderful evening.

Also put on your calendar the annual Craft Night on February 10th. Many of you already know that this is a great night for the kids to make lots of Valentine's themed crafts. Look for upcoming details on pre-sale tickets for this really FUN fundraiser!

Tomorrow evening is the PTA meeting in the library at 6:30PM. We hope to see lots of you there. And remember to bring in your Fresh and Easy receipts dated up to December 31, 2011. We need them by the end of January so we can get credit and more money comes in to programs for your children. Thank you to everyone who participated this year!

[Growing Great Garden News \(3rd - 5th Grades\)](#)

For students in Grades 3, 4, & 5, GrowingGreat lesson #3 will have students learn through an interactive cooking lesson that certain fats are beneficial to our bodies. They will be preparing a salad, making salad dressing, bread and butter. They will also be instructed on how to thoroughly wash their hands before preparing the food, and why this is necessary.

Please review the Grill Me flyer enclosed, and discuss the lesson with your student. Have them prepare the salad dressing at home for your family to enjoy! You will also find the recipe on the Anza website.
