Dear Anza Families:

This is a reminder that students are not permitted to use a cell phone at any time on campus. This includes both before and after school while a student is on campus. If a parent chooses to provide a cell phone for their child it must be kept off and out of sight while on the Anza campus. Students are to use the office phone in case of emergencies. This allows our office staff to be aware of any and all issues regarding student safety. Thank you for helping us to enforce this school policy by discussing it with your child. We appreciate your help!
