PROFLO High-Efficiency Toilet -
1.28 gallons per flush

To Pre-Qualify, call (866) 861-
0784 or
online at www.waterprograms.com

Location of the event will be given after Pre-Qualification

EASY PARTICIPATION STEPS

Do you Qualify?

- If you have an older toilet(s) that was installed before January 1, 1992 and it uses 3.5 or more gallons per flush, you qualify.
- If you live in a single-family home, condominium, townhome, duplex, or mobile home you are eligible to participate.
- Owners of apartment complexes, please call (866) 861-0784.

Register

- Call ConserVision Consulting at (866) 861-0784
- Visit website at waterprograms.com

About the Toilets

- The Pro Flo High-Efficiency Toilet uses 1.28 gallons per flush and they are EPA WaterSense Certified
- Rated highest flush performance
- The height measurement is 30 1/8" with a comfort-height bowl

Pick Up New Toilets

- You must bring your current water bill and photo ID
- Please do not bring old toilets on the day you pick up your new FREE toilet(s)
- Customers are eligible for up to two FREE toilets
- No walk-ins the day of the event - you must pre-qualify

Install New Toilets

- Install the new high-efficiency toilet(s) within two weeks of the pick-up date. **NO EXCEPTIONS!**

Return Old Toilet(s)

- Return the old ones on **Saturday, March 10, 2012** to the pick-up location.

FLYER IN ENGLISH AND SPANISH
